Chapter 1 by Eva

My name is Samantha but I hate that name so everyone calls me Sam. you could say I'm a bit of a rebel and it would be true, I skip class and instead, trash the cafeteria, do graffiti on the school walls and make pranks to teachers. At home my parents don't like referring to me as a "Rebel" they say i'm just a very exciting and inventive girl. But although most days when I come home from school my dad has to have another stern talking to me about some graffiti or prank that I did. I don't really care I just say "I won't do it again" and I walk away. I've been like this most of my life, being a rebel and doing things I shouldn't and I've never felt bad about it until today when my whole life changed.
